Course:

Please tell us about your reason for applying to this course? What is your background? (CV required)

Terms and conditions

Tuition fee: 2000 € without VAT.

Administrative partner is Verein zur Förderung der wissenschaftlichen Weiterbildung an der Hochschule Bremerhaven e. V., which will issue the invoice.

With the acceptance of the registration by the study management, a binding registration has been made. The study management reserves the right to cancel the module at least 3 weeks before the first workshop date if the number of registrations is insufficient.

Please send the registration form, a copy of your last university degree and your CV to: owemba@easv.dk

What will happen after your registration?

We check if you will fit into the program. If we have any questions, we will contact you.

We send the invoice as soon as the preparation phase of the module starts.

We provide you with further details about the course.

Consent regarding management of personal data.

When sending the application, I consent that my data can be used in regard to courses in the Offshore Wind Energy MBA. The data will be registered at the partners Hochschule Bremerhaven, Business Academy Southwest and Verein zur Förderung der wissenschaftlichen Weiterbildung an der Hochschule Bremerhaven e. V.

All personal data will be handled confidentially.

Passing on of your data and information to third parties is excluded.

Date of registration and signature:
